

Vitrina Small Sideboard by Herve

Vitrina Small Sideboard by Herve

A further development on by Herve's Ropero cabinet, Vitrina translates as window cabinet in Spanish. The collection consists of different cabinets that blend solid wood, glass and colour, addressing various needs for both storage and display in a distinctive and timeless way.

The Vitrina collection includes a sideboard with glass top and a tall unit with shelving and drawers. Its bold use of colour helps show your favourite things at their best.
