

Ballet Bench by Matthew Hilton

Ballet Bench by Matthew Hilton

This generously proportioned solid wood picnic-style contemporary bench can comfortably seat up to 5 people. It has a large foot with undercut top and with its considered detailing and sensitive use of timber, it is a perfect blend of elegance and boldness.

The bench can also be used throughout the home, whether accompanying the Ballet dining table, at the foot of a bed for occasional seating or hallway. The Ballet bench is a design with conversation at its heart.

The bench tucks neatly underneath the Ballet table when not in use saving space in your dining or kitchen area. It is available in two sizes (1.9m/74 3/4" and 1.5m/59") and is available in solid oak or walnut.
